If the difference in column 1 is less than zero, enter "0" in column 2
 If the highest number previously paid for is greater than the number of claims remaining after amendment, enter the highest number previously paid for in column 2
 If the highest number previously paid for is less than the number of claims remaining after amendment, enter the highest number previously paid for in column 2
 If the highest number previously paid for is equal to the number of claims remaining after amendment, enter the highest number previously paid for in column 2

This fee is based on the number of claims in the application as filed. If the number of claims in the application is reduced by amendment, the fee is based on the number of claims remaining after amendment. If the number of claims in the application is increased by amendment, the fee is based on the number of claims remaining after amendment plus the number of claims added by amendment. If the number of claims in the application is reduced by amendment and the number of claims added by amendment is greater than the number of claims remaining after amendment, the fee is based on the number of claims added by amendment. If the number of claims in the application is reduced by amendment and the number of claims added by amendment is less than or equal to the number of claims remaining after amendment, the fee is based on the number of claims remaining after amendment. If the number of claims in the application is increased by amendment and the number of claims added by amendment is greater than the number of claims remaining after amendment, the fee is based on the number of claims added by amendment. If the number of claims in the application is increased by amendment and the number of claims added by amendment is less than or equal to the number of claims remaining after amendment, the fee is based on the number of claims remaining after amendment plus the number of claims added by amendment.
